# Dennis L. Angle, Jr.

## Eagle Scout • Troop 53, BSA

Dennis earned the Eagle Scout Award effective March 16, 2003.

### ***Eagle Scout Service Project***

Dennis led the Scouts and Scouters of Troop 53 in building an arched bridge for the Mountain Top Historical Society to connect two walking trails near the outlet of a small pond. Two benches were also built and set along the path west of the pond. The log benches and bridge are a beautiful addition to an already picturesque setting.
